

CSA1518-CLOUD COMPUTING AND BIG DATA ANALYTICS FOR SOCIAL MEDIA

Harini . A

192011344

EXPT 1:

Create a simple cloud software application and provide it as a service using any Cloud Service Provider to demonstrate Software as a Service (SaaS).

The image shows a web interface for creating a new application from scratch. At the top, there are four icons in a 2x2 grid: a blue circle, an empty square, another empty square, and a plus sign. Below these icons is the text 'Create From Scratch'. The main form area has a light gray background. It starts with the label 'Application Name' followed by a red asterisk. Below this is a text input field with the placeholder text 'Enter your application name'. Under the input field is a checkbox labeled 'Enable Environment' followed by a blue link 'Learn More'. At the bottom of the form is a large blue button with the text 'Create Application'.
