## EXPT 5:

Create a simple cloud software application for Library book reservation system for SIMATS library using any Cloud Service Provider to demonstrate SaaS

The image shows a web interface for creating a new application from scratch. At the top, there is a header with two icons: a blue circle and a white square, and a white square and a plus sign. Below the icons, the text 'Create From Scratch' is displayed. The main form area has a light gray background. It starts with the label 'Application Name \*' followed by a text input field containing the placeholder text 'Enter your application name'. Below the input field, there is a checkbox labeled 'Enable Environment' with a blue link 'Learn More' next to it. At the bottom of the form, there is a large blue button with the text 'Create Application'.
